

## 10% Recfishwest Membership Fishing Tackle Discount

Recfishwest today announced even more incentives for recreational fishers to become a member of their peak recreational fishing body.

A selection of Ranger Outdoors and Compleat Angler stores from both regional and metropolitan WA are offering a 10% discount for all Recfishwest Members.

“I must thank the Ranger Outdoors and Compleat Angler stores that have pledged their support for the recreational fishing sector”. Recfishwest Executive Director, Frank Prokop said today.

“This provides an extra incentive for recreational anglers of WA to support their peak body and at the same time maybe treat themselves with a discounted new fishing rod or reel”. Mr Prokop said.

“I urge all recreational fishers that have not already joined Recfishwest to get on board. The work is certainly not yet done. The recreational fishing sector faces a number of significant challenges in the near future.” Mr Prokop said.

Membership costs only \$20 or a family of four can join for \$40. Membership forms are available at the Recfishwest website [www.recfishwest.org.au](http://www.recfishwest.org.au) or can be processed over the phone on (08) 9246 3366.
