

Recfishwest's Annual General Meeting Approaches

This year Recfishwest will be holding its Annual General Meeting on 29 October at the Fremantle Sailing Club. The AGM provides Recfishwest members an opportunity to cast their vote on who they believe would best fill a number of positions on the Recfishwest Board of Management.

The Recfishwest Board of Management comprises a Chairman, elected from the Board, plus fifteen members of council as follows;

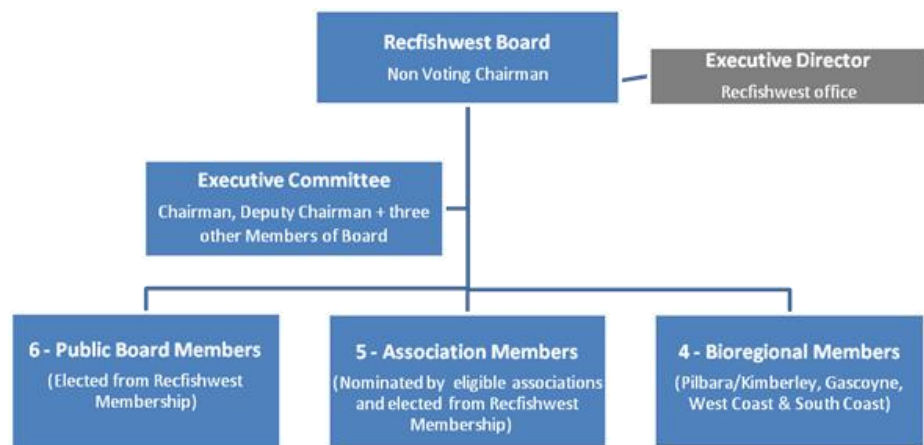

- six (6) public members
- five (5) representatives of association members
- four (4) regional representatives

This year's AGM should see tightly contested elections for each of the Public and Association Board Member positions.

Three vacant Public Board Member positions are available with nine candidates seeking election to these positions. In addition, there are two vacancies for two year terms for Association Board Member positions which four nominees are contesting.

As only Recfishwest financial members will be entitled to vote at the AGM, make sure your membership is up to date for your chance to vote in the 2010 election.

The AGM also provides the opportunity for Recfishwest members to discuss any matters of relevance regarding recreational fisheries management and share some refreshments at the conclusion of the formal proceedings.
